

**Thank you for your interest in Essex/Hudson County 4-H Clubs!**  
 4-H is the youth development component of Rutgers Cooperative Extension. Clubs are the foundation of the 4-H youth development program. Below is a list of 4-H Clubs for 2017. A 4-H Club is a group of five or more young people, guided by volunteer leaders, learning through hands-on projects, and gaining life skills around targeted project areas of interest. **Register for a Club** by setting up a family profile online at [www.4honline.com](http://www.4honline.com) and add each child as a new member. Once your Clubs are selected, you will receive an email confirmation of the next meeting date and the Club leaders' info. **Please note:** for seasonal Clubs or Clubs that are full, you will be put on a waiting list. *If you are interested in starting a club in your community, please contact the 4-H office!*
